

NATTAPON SURASIN

Address: 32/8 Thetsaban 1 Road, Nai Mueang Subdistrict, Mueang District, Yasothon Province, Thailand 35000
Phone: 082-318-6752
Email: nattapon.su44@gmail.com

SUMMARY

I am adept at transforming complex datasets into actionable insights, driving decision-making processes, and enhancing operational efficiency. My proficiency in tools such as Python, R, and SQL allows me to build robust models and create compelling visualizations that communicate data narratives effectively. I am passionate about leveraging data to solve real-world problems and am committed to continuous learning and professional development in the ever-evolving field of data science.

WORK EXPERIENCE

Strategy and Planning Division, Yasothon Municipality Office **Oct 2024 - Present**

- Allocate the budget within the Yasothon Municipality in accordance with the specific needs of each division.
- Prepare a report summarizing the meeting regarding the development plan for Yasothon Municipality.

Final Project : Department of Statistics, Faculty of Science, Khon Kaen University **Jun 2023 - Mar 2024**

- Developed an optimization model to efficiently schedule courses for the Department of Statistics, Faculty of Science, Khon Kaen University by using Python
- Designed and implemented interactive web features using HTML, CSS, JavaScript
- Utilized Flask framework for backend functionality and routing
- Applied responsive design principles for optimal user experience across devices

Mini Project in Class : Department of Statistics, Faculty of Science, Khon Kaen University **Jun, 2023 - Nov, 2023**

- Conducted statistical analysis to interpret trends and patterns in data sets.
- Utilized advanced Excel functions to organize and manipulate large datasets efficiently.

Internship : Statistical Office Khon Kaen **Apr, 2023 - Jun, 2023**

- Created visually appealing data visualizations to communicate complex information effectively.
- Used Power BI for presenting financial data with charts and graphs.
- Conducted field surveys to collect detailed agricultural data from various stakeholders.
- Interviewed farmers to gather information on crops, livestock, land use, and agricultural practices.

EDUCATION

Bachelor of Science in Statistics and Data Science with Second Class Honors **2020-2024**
Khon Kaen University

- Major Statistics
- GPA 3.27

Sciences and Mathematics Program **2017-2019**
Yasothon Pittayakom School

- Grade 10-12
- GPAX : 3.60

ADDITIONAL INFORMATION

EXPERTISE: Management Skills, Creativity, Communication, Teamwork, Critical Thinking, Leadership, Emotional Intelligence

Languages: Thai (Native), English (Intermediate)

Skills Summary: Microsoft Office: Advanced proficiency, Data Analysis: Proficient in statistical analysis and data visualization, Python: Skilled in programming and data manipulation, Database Management: SQL query writing, database design, Web Development: HTML/CSS design, JavaScript coding, Power BI
